v.                                ) MAGISTRATE JUDGE

SOUTH UNIVERSITY                )  
OF OHIO, LLC, *et al.*        )  
                                      ) **ORDER TO SHOW CAUSE**  
Defendants.                     )

In the past month, several filings have related to non-party, non-intervening student, Megan Tuyls. These filings state that arguments are being asserted on behalf of Ms. Tuyls who has not intervened in this lawsuit. The court does not recognize a non-party's right to simply file items on the docket of the court as a non-party and non-intervenor. The court hereby ORDERS Ms. Tuyls' counsel to show cause why the following documents should not be stricken from the docket of the court:

- 1) Notice of filing of original declaration in support of the motion to alter or amend the December 5 order ([ECF Doc. 521](#));
- 2) The portion of the notice of appeal filed by Richard Gurbst and the National Student Defense Fund, to the extent it purports to be filed on her behalf ([ECF Doc. 522](#)); and
- 3) The motion to alter or amend judgment filed by Richard Gurbst and the National Student Defense Fund, to the extent it purports to be filed on her behalf. ([ECF Doc. 515](#)).

Ms. Tuyls' counsel must show cause by **January 30, 2020** or the court will strike the foregoing documents – or portions thereof – to the extent they purport to be filed on her behalf.

IT IS SO ORDERED.
